

Línea: Idiomas

Nombre del curso	Descripción	Profesor(es)	Modalidad	Horario (día(s) de la semana y hora)	Duración total (horas)	Fecha de inicio	Fecha de finalización
"How to..." in English	Este taller en modalidad "blended" le brinda una oportunidad a profesores que tengan diferentes niveles de inglés desarrollar habilidades verbales y escritas para explicar diversos tipos de procesos. En la parte presencial se trabajarán temas formales de la lengua y en la parte virtual los participantes realizarán la producción correspondiente a la temática trabajada.	José Camilo Vásquez y Milena Mosquera	Semi-presencial	Martes, miércoles y jueves de 2:00 - 4:00 pm	12 horas	9 de julio	18 de julio
Academic English for Research Purposes*	This course aims to improve participants' abilities to realize research and write academic articles in the English language. Activities of the classes will be centered on academic-level reading and writing exercises; the instructors will cover advanced grammar and vocabulary topics that pertain to professional writing as well as some academic speaking themes. Please note: This course was also offered during the semester 2019-1, if you have already taken it you should not sign-up again.	Crystal Folmar & Philip Blau	Presencial	Lunes a viernes 2:30-4:00 pm	15 horas	10 de junio	21 de junio

Requerimientos adicionales:

This workshop is designed for academic professionals that speak English fluently and would like to refine their academic writing and communication abilities. An upper-intermediate (B2) level is the minimum recommended for participants to be able to participate fully in the classes.
